Amazon.com: FAMILY BUSINESS FORMULA. Strategie Di Business ... Family business leaders must set the example by separating business and family time as much as possible. One way to make this separation possible is by having formal spaces and structured times to discuss business issues. Explicitly making other times no-business zones can help family members relax into their personal roles and get away from work.

A formula for success. Role models. Family businesses that tend to have women in top leadership in the C-suite and on the board offer role models to less-senior women and clearly demonstrate that moving up the ranks and assuming leadership positions are possible. Long-term thinking. Family businesses tend to think in very long time horizons.

How family businesses are embracing women in leadership ...

Published since 1988, Family Business Review is an SSCI listed refereed journal devoted exclusively to exploration of the dynamics of family enterprise. Its interdisciplinary forum captures the insights of professions from diverse fields such as accounting, behavioral sciences, entrepreneurship, finance, management, family business and family wealth consulting, law and public policy.
